Foreword ___

Dallas, our city . . . a metropolitan of huge skyscrapers, great factories and industries, crowded streets, enormous railway yards, large fashion markets, and the agricultural distributing center of the Southwest . . . We are happy to belong to a small part of Dallas and her wealth. She provides our home, our protection, and our way of life. Molded from Christian ideas Dallas has grown up under the leadership of men who looked toward the future — men like John Neely Bryan and George M. Dallas . . . Because Dallas was built around a Democratic cornerstone we see her now at a high peak of development . . . We of the Yearbook Staff hope to express our sincere admiration and respect for our city, Big "D." Our wish is that you will sense our theme as you turn the pages of the Oak to re-live experiences of your school year with friends and classmates.

Our Principal

Students of W. H. Adamson High School, my sincerest wish for each is that you might learn here the foundations for successful and gracious living.

May the knowledge that you gain in this school grow through the years into wisdom, as you temper it with kindness, unselfish service, nobility, and Christian conduct.

ADAMSON—12

SUNSET—0

Featuring a hard running fullback in Kenny Johnson, the Adamson Leopards ripped the highly touted Bison line from one side of Dal-Hi to the other. Johnson carried twenty-two times and netted eighty-six yards on his bursts up the middle and off tackle. The Leopards caught the Bisons off balance with this type of play as they figured us to rely on the speed of Gregory and Jones. Jones' passes were also clicking and they kept the Bisons bewildered all night. High point of the game was when the Adamson forward wall kept pushing the Bisons backwards until it was fourth down and forty-eight yards for a first.

The Leopards had no trouble moving the ball against Sunset and should have scored four or five times, but lost the ball inside the Bisons' ten three times. Sunset, however, made only eighty-three yards total yardage as the Leopard forward wall tore the Bison line to pieces.

ADAMSON—27 LUBBOCK—7

Using a crushing ground game, the Adamson eleven chalked up one of the biggest upsets in high school football. The Leopards rolled up 316 yards rushing and added 82 passing. Gregory scored twice while Garrison and Maddox scored once each. Maddox added the extra points.

High point of the game was when the stout Leopard line held Lubbock on the one foot line on a fourth down try.

ADAMSON—7 PORT ARTHUR—0

Playing in a Texas downpour for the first half, the Leopards' terrific speed was slowed to a crawl, or I should say a slow swim. During the second half the rain slowed and Adamson speeded up for a sixty-four yard march and a score in the last quarter. Sammy Moorehead carried over for the score and Gregory added the extra point.

A fired-up Leopard eleven ripped the to-be Cowtown champs apart. Gregory led the Leopard charges and rolled up 129 yards of the Leopards' 140 rushing yards. Gregory scored twice and set up the other, which was scored by Jones.

An alert defense, led by Jim Mitchell, Rambo, and Garrison, recovered six Panther fumbles.

HILLCREST—7

Fumbles and pass interceptions for the second straight week deprived the Leopards of another win. Adamson drew first blood on a long drive, with Jones doing most of the work. He scored on a thirteen-yard plunge off tackle. Hillcrest bounced back to tie the score, and that was the ball game, as the Leopard drives were stopped by many fumbles and pass interceptions.

The Leopards dropped from the unbeaten ranks at Franklin Field to the Woodrow Wilson Wildcats. The Wildcats were only inside the Leopards' forty-five yard line twice, but made their drives count. They struck for two quick T.D.'s and the Leopards could never catch up.

Gregory scored the only touchdown on a 28-yard gallop. Fumbles stopped the Leopards' drives all night.

CEDAR CREST BAPTIST CHURCH

was organized in December 1939, and since has been at its present location, Belknap at Ohio to Fowler Streets, in the Trinity Heights area.

Will T. Dansby became pastor February 5, 1945. At the present time he has associated with him Clayton D. Spriggs as Minister of Education and Music and Miss Sunshine Rogers as Youth Worker.

The organizations of the church make extensive use of lay leadership with more than 200 teachers and officers and other workers in places of responsibility. The church has grown to a present (1956) membership of over 1,200 with a Sunday School of approximately the same number and a Training Union of 500 plus. The expanding membership has made necessary four building programs and the purchase of three dwellings which were converted to organizational use.

Preliminary plans are being made for additional educational buildings for the immediate future. Facilities are to be provided in the next stage of the building program for an attendance of at least 1,200 in Sunday School. A master building plan has been formulated which includes a future auditorium that will seat approximately 2,000.

The church is situated in the midst of a rapidly expanding community and is seeking to keep pace with the growth of the area that it serves.

A special invitation is extended to the students, Faculty, and friends of the Adamson High School to visit in any and all services of the Cedar Crest Baptist Church.

"Reserved"

Dear Charlene,

This year has many good and silly memories. I've had loads of fun going to school with you. I hope that we have twice as much fun next year! Let's always keep our little secrets. And always speak kindly of our days in "dear old Adamson". I hope that you will always reserve me a page, just so I can tell you how sweet you are. Please excuse this hand writing; it's terrible.

We really must have something better to write about next year. I hope that we will always be best of friends. I really must be going now. Give my love to Tom!

Love always,

Marilyn

The Best Yearbooks Are TAYLOR-MADE
TAYLOR PUBLISHING COMPANY DALLAS, TEXAS

We, the Oak Staff, wish to extend our sincere thanks to the people who have made it possible for us to complete the 1957 OAK.

We want to express our gratitude to our sponsor, Mrs. Morelle Moore, without whose understanding, patience, and helpful assistance this book would not have been possible. Especially do we wish to thank Mr. Allen and Mr. Meek for their service and efforts to make this OAK a reality.

We appreciate the co-operation and diligent work of our photographer, Mr. Cathey, and the Taylor Publishing Company. We are grateful to the Statler Hilton Hotel for permitting us to use their premises as a background for our Favorites' pictures.

Each one was necessary in order to have the 1957 OAK published. We would like to say that the interest and enthusiasm of the faculty and of the student body have encouraged us throughout the year. We only hope that the OAK measures up to their expectations.

Gratefully,

THE OAK STAFF
